

PUBLIC HEALTH POLICY AND ITS LONG-TERM IMPACT ON WOMEN'S HEALTH

HOSTED BY LEAGUE OF WOMEN VOTERS OF ARLINGTON HEIGHTS,
MOUNT PROSPECT, & BUFFALO GROVE AREAS

SPEAKERS

Kate Gillespie

Doctorate of Nursing Practice
in Community and Public
Health Candidate, University
of Wisconsin-Milwaukee

Brielle Treece Osting

Director, Maternal and Infant
Mortality Initiative, EverThrive
Illinois

MODERATOR

Ann Gillespie

Objective: We will learn about public policy on provider reimbursement (doctors, hospitals, home health care, etc.), and its impact on women's health over the long term. We will examine its relationship to poverty, as well as its effect on rural communities.

Northwest Community Hospital
800 W Central Road
Arlington Heights
